# Track Basics
## Trackdays

Track Basics is a group of racers and trackday riders dedicated to providing safe and exciting motorsports entertainment for all levels of riders.

Track Basics provides a safe, structured environment where riders can experience the thrill of motorcycle sport riding coupled with the comraderie of other riders of different skill levels and experiences.

## Getting Started

If your just getting started you'll need a DOT approved full face helmet, leather or textile (kevlar) suit or jacket, pants combination. Leather riding or racing gloves and at least 6” leather boots. Back and rib protection are recommended.

Your bike must be fluid tight and have good to new tires. All lights,gauge lenses and turn signals must be taped with painters tape.

RTV or contact cement may be used to secure fasteners such as oil filler and drain plugs,speedo and tach cables.

It's also recommended that, on liquid cooled bikes, antifreeze is drained and replaced with water.

See accompanying sheets for more info.

Track Basics welcomes all makes and models of motorcycles.

Track Basics trackdays are held at Nelson Ledges Road Course. Gates open at 7:00 AM. Registration opens at 8:00 AM and first on track session at 9:00 AM. Camping is available for riders coming in the early evening before.

Food will be available at the track starting at 8:00 AM
